If you have received excellent service from any of our crew members and feel so inclined to recognize them further, it would be most appreciated by our hardworking crew. Domestic Airline Travel ID Requirements for U.S. Citizens:

Beginning May 7, 2025, every air traveler 18 years of age and older will need a REAL ID-compliant driver's license, state-issued enhanced driver's license, or another acceptable form of ID to fly within the United States. REAL IDs are marked by a star on the top of the card. Between now and the effective date of the new regulations, we encourage all travelers to check their IDs and obtain a REAL ID if they don't already have one. To obtain a REAL ID requires documentation beyond what is required for most standard drivers' licenses. Prepare to collect and present several documents to DMV officials that prove residency and identification.

Guests should take this into consideration when planning travels for their cruise.
